**RE: 2024 Hazardous Liquid Operator Annual Review Inspection – BP Pipelines
Headquarters – (Insp. No. 8768)**

Dear Mr. Vodicka:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Hazardous Liquid Operator Annual Review (AR) inspection of BP Pipelines Headquarters (BP HQ), on August 15, 2024. The inspection included a review of Annual Report records, including damage prevention documentation for all BP pipeline units within Washington State.

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks BP HQ's personnel for their professionalism and cooperation during the audit.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

for Scott Rukke
Pipeline Safety Director
