RE: 2024 Natural Gas Standard Inspection – Ferndale Pipeline System – (Insp. No. 8780)

Dear Mr. Vodicka:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Records and Field Inspection of Ferndale Pipeline System (Ferndale) from July 11, 2024 to July 24, 2024. The inspection included a review of Ferndale's records and inspection of field assets

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks Ferndale's personnel for their cooperation during this inspection. If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

for Scott Rukke
Pipeline Safety Director
