**RE: 2024 Hazardous Liquid Integrity Management Program Inspection – BP Pipelines
Headquarters – (Insp. No. 8766)**

Dear Mr. Vodicka:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Hazardous Liquid Integrity Management Program (LIMP) inspection of BP Pipelines Headquarters (BP HQ) online using MS Teams, on October 2, 2024. The inspection included a review of the integrity management plan, program, process and records.

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks BP HQ's personnel for their cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Scott Rukke
Director, Pipeline Safety
