**RE: 2024 Natural Gas Transmission Integrity Management Program Inspection –
Ferndale Pipeline System – (Insp. No. 8781)**

Dear Mr. Vodicka:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Integrity Management Program Inspection of Ferndale Pipeline System (Ferndale) from October 21, 2024 to October 23, 2024. The inspection included a review of Ferndale's procedures, records and a check of field assets.

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks Ferndale's personnel for their cooperation during this inspection. If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

Scott Rukke
Director, Pipeline Safety
