IMPORTANT NOTICE: A nonbinding estimate covers only the articles listed. If it is not binding, the cost of the move may exceed the estimate. If you request additional services to complete the move or add articles to the inventory, the household goods mover must prepare a supplemental estimate which will change the amount of the original estimate. Household goods carriers are required by law to collect transportation and other incidental charges. A household goods carrier may not charge more than twenty-five percent above its written non-binding estimate unless the household goods carrier prepares and you sign a supplemental estimate.
